## Green Mania: Free Fashion Shows and Music

**Live Entertainment All Weekend Long Sponsored by the Twin Cities Natural Food Co-ops**

Local groups bring live music and fashions to the Living Green Expo. This year we are featuring two fashion shows. One will feature clothing you can wear if you are biking or walking to work and the other will showcase dressing green on any budget. All music and the fashion shows will be on the second floor stage of the Grandstand Building. <http://www.livinggreen.org/music.cfm>

The Living Green Expo is a free, annual event taking place at the Minnesota State Fairgrounds Grandstand the weekend of May 2-3, 2009. The Expo provides information and products to help Minnesotans improve the environmental and social impacts of their day-to-day living. The Living Green Expo features over 250 exhibitors of products, services, and information, along with more than 60 workshops on a variety of sustainability and green living topics. Expo attractions include music, food, demonstrations, and activities for the whole family. The Minnesota Pollution Control Agency leads a collaboration of governmental, nonprofit and business organizations to produce the Living Green Expo.
